  - i) The petition must state any pending criminal charges of the applicant, other than Class C misdemeanors.
3. The court will consider applications for ODL's and each applicant will receive a hearing date when the petition is filed.
4. The law limits driving under an ODL to a maximum of four (4) hours per day. Upon a showing of necessity, the court may permit an applicant to drive up to twelve (12) hours per day, e.g., from 7:00 a.m. to 7:00 p.m. or some equivalent period; however, the court may further restrict driving times as appropriate.
5. An occupational driver license cannot be issued to drive a commercial motor vehicle.
6. Certified copies of any granted ODL will cost \$2.00 for the first page and \$0.25 for each additional page, and the applicant must pay for two certified copies of any ODL granted.
7. The court will forward one certified copy of the ODL to the Texas Department of Public Safety with the applicant's money orders or cashier's checks for the appropriate reinstatement fees and the yearly issuance fee. The court will also forward the SR-22 to DPS. The Department of Public Safety will then send the driver an ODL card after receipt of the order.
8. The driver must keep the second certified copy of the ODL at all times when driving, along with a copy of the **SR-22** or other insurance. The driver must also keep the order with the Texas Department of Public Safety issued card to verify the times the driver is allowed to drive.
9. The court may order the ODL revoked for good cause at any time.
